ROSS TOWNSHIP
INSTRUCTIONS FOR FILING EARNED INCOME TAX FINAL RETURNS

WHO MUST FILE: Every resident person who has earned income or net profits shall file with the Earned Income Tax Officer, on a form prescribed by him, a final Ross Township Earned Income Tax return, even though earned income tax thereon was withheld in whole or in part. If you had no earned income to report, the word "none" shall be entered on the Return and it shall be signed, dated and returned with an explanation (retired, military, disability, laid off, etc.)

TIME TO FILE: On or before April 15th.

LATE FILED RETURNS AND PAYMENTS: Tax returns must be postmarked NO later than April 15. Returns not filed on a timely basis are subject to penalties, interest, and a late service charge of \$25.00.

EXTENSIONS: We require a copy of your Federal Tax extension request form. It must be received at this tax office or postmarked by April 15. There is no provision authorizing an extension of time for payment of your tax.

FAILURE TO FILE: Failure to receive a tax return does not relieve you of the responsibility to file a return. Failure to file a return may result in the implementation of the penalties as stated in the School District Resolution/Township INCOME Ordinance:

" . . . upon conviction thereof before any justice of the peace, alderman or magistrate, or court of competent jurisdiction, be sentenced to pay a fine of not more than five hundred dollars (\$500) for each offense, and costs, and, in default of payment of said fine and costs to be imprisoned for a period not exceeding thirty days."

TAXABLE INCOME: Salaries, wages, commissions, bonuses, incentive payments, fees, tips, fellowships, patent and royalty income, jury duty, inactive military pay, sick pay received as regular salary per employee contract, payments for annual leave, vacations, holiday, separation pay, contribution to 401k and similar deferred income, flex plan income, net profits from the operation or ownership of a business, profession or other activity. Note: Losses incurred in the operation of a business cannot be used to offset wage and salary income. Net losses from one business can be applied against the net profits from another business, but not less than zero.

NON-TAXABLE INCOME: Social Security payments, pensions, insurance proceeds, gifts, bequests and inheritances, wages paid to persons on active military service, workmen's compensation, interest, dividends, capital gains, lottery winnings, rental income and unemployment compensation.

ALLOWABLE EXPENSES: The fact that an expense is deductible for Federal Tax purposes does not mean that it is an allowable business expense for Earned Income Tax. To be allowed the expense must be ordinary, actual, reasonable, and necessary. An exact duplicate copy of the PA UE form must be attached to your Earned Income Tax Return when using these expenses. If proper supporting documentation is not attached the business expense will be systematically denied without notification to the taxpayer.

SIGNING YOUR RETURN: You have not filed a valid tax return unless you sign and date it.

OUT-OF-STATE CREDIT WORKSHEET: Do not use for earnings in Indiana, Maryland, New Jersey, Ohio, Virginia or West Virginia. If a joint out-of-state return (or a joint Pennsylvania return showing out-of-state credit) was filed, all earnings, credits and deductions must be prorated. **Credit will be disallowed if copy of state return is not attached.**
